Check off that documentation representing each of the items below is attached to this report

- ☐ Diagnosis.
- ☐ Medication(s) and dosage.
- ☐ Has considered a non-banned medication alternative.
- ☐ Blood pressure and pulse readings and comments.
- ☐ Follow-up orders.
- ☐ Date of clinical evaluation:
- ☐ Attach written report summary of comprehensive clinical evaluation. Please note that this includes the original clinical notes of the diagnostic evaluation.
The evaluation should include individual and family history, address any indication of mood disorders, substance abuse, and previous history of ADHD treatment, and incorporate the DSM criteria to diagnose ADHD. Attach supporting documentation, such as completed ADHD Rating Scale(s) (e.g., Connors, ASRS, CAARS) scores.
The evaluation can and should be completed by a clinician capable of meeting the requirements detailed above.

DISCLAIMER: The National Collegiate Athletic Association shall not be liable or responsible, in any way, for any diagnosis or other evaluation made, or exam performed, in connection herewith, or for any subsequent action taken, in whole or in part, in reliance upon the accuracy or veracity of the information provided hereunder.

August 2019
